# INTRODUCTION

## ABOUT OUR COMPANY

---

### ABOUT US

Green Island Shipchandlers K Ltd, founded in 1988, is a family-owned ship supply company based in East Africa, trusted for quality marine stores and technical services for ships and offshore industries. With decades of proven excellence, we serve a wide range of vessels—including naval, cruise, offshore, tankers, container ships, and fishing vessels—and are expanding our reach to major global ports. Driven by quality, efficiency, and customer satisfaction, we remain one of East Africa's most reliable ship suppliers.

### OUR VISION

As we forge ahead towards our vision, we remain committed to continuous growth, innovation, and exceeding customer expectations. We aspire to be the trusted beacon in the ship chandling industry, and to set new standards of excellence by consistently delivering unmatched quality, efficiency, and customer satisfaction by guiding vessels to smoother sailing and empowering them with superior provisions and services. Join us on this exciting journey as we shape the future of ship chandling together!

### OUR MISSION

At Green Island Shipchandlers K Ltd, our goal is to be the premier provider of ship chandling services, empowering vessels with supplies of the highest quality, exceptional and swift customer services, and innovative solutions. We are devoted to meeting and exceeding the unique needs of our clients, ensuring their operational success while fostering long-lasting partnerships built on trust and reliability. We are driven by our goal to empower vessels with unmatched ship chandling services. We are passionate about supporting the maritime industry and playing a vital role in the success of our customers' operations. Join and support us on this journey as we strive to exceed expectations, deliver excellence, and contribute to the growth and prosperity of the maritime community!

# SUPPLIES PROVISION

## SHIPCHANDLERS IN MOMBASA, KENYA

01

### PROVISION

Green Island Shipchandlers K Ltd takes pride in supplying high-quality food products at competitive prices to meet the needs of vessel crews. Our range includes fresh fruits and vegetables, frozen meats, dairy products, pulses, grains, dry goods, spices, and fresh bakery items. We also supply bonded items for duty-free requirements on international voyages.

03

### DECK STORES & ANTI-PIRACY MATERIALS SUPPLIES

At Green Island Shipchandlers K Ltd, we provide a complete range of deck stores and advanced anti-piracy solutions for modern maritime operations. Our supplies are carefully selected to enhance vessel safety, security, and operational efficiency. We ensure your crew and assets remain fully protected at sea.

05

### FENDERS & HEAVY EQUIPMENT SUPPLIES

At Green Island Shipchandlers K Ltd, we provide high-quality fender solutions and heavy equipment to ensure safe berthing, mooring, and maritime operations. Our offerings include rubber, foam, and pneumatic fenders, alongside cranes, earthmoving machinery, and material handling equipment. We deliver reliable, durable, and efficient solutions for vessels and port operations.

07

### SAFETY & FIRE FIGHTING EQUIPMENT SUPPLIES

At Green Island Shipchandlers K Ltd, we provide expert servicing of safety and firefighting equipment to ensure vessel and crew protection. Our services cover fire suppression systems, life-saving appliances, and personal protective gear. We deliver reliable, high-quality solutions that uphold the highest standards of maritime safety.

02

### CABIN & GALLEY STORES SUPPLIES

Green Island Shipchandlers K Ltd offers a full range of premium cabin and galley solutions for modern vessels. Our supplies are selected to ensure maximum comfort, hygiene, and efficiency at sea. We support both crew welfare and smooth daily operations onboard.

04

### ENGINE & ELECTRICAL STORES SUPPLIES

At Green Island Shipchandlers K Ltd, we deliver complete engine and electrical store solutions to ensure maximum vessel performance and reliability. Our expertise covers critical engineering components, electrical repairs, refurbishments, and technical support. We ensure your vessel's core systems operate safely, efficiently, and without interruption.

06

### JET A1 FUEL & LUBRICANT SUPPLIES

At Green Island Shipchandlers K Ltd, we supply premium Jet A1 fuel and marine lubricants to ensure smooth, efficient, and reliable vessel operations. Our products include high-quality engine oils, hydraulic oils, gear oils, and greases, all rigorously tested for performance and compliance. We provide flexible delivery options and expert technical support to maximize engine efficiency and longevity.

08

### MEDICINES & MEDICAL EQUIPMENT SUPPLIES

At Green Island Shipchandlers K Ltd, we supply pharmaceuticals, medical equipment, and safety gear to support crew health onboard. Our products ensure vessels are fully prepared for medical needs and emergencies at sea.

# ADDITIONAL SERVICES

## SHIPCHANDLERS IN MOMBASA, KENYA

Green Island Shipchandlers K Ltd provides professional ship supply and marine support services, including provisions, bonded stores, marine paints, chemicals, fuel, lubricants, medical supplies, and safety equipment. The company also offers underwater hull cleaning, fumigation, and technical repair services, delivering reliable and high-quality solutions to vessels and offshore operators.

### REPAIR & OVERHAULING SERVICES

At Green Island Shipchandlers K Ltd, we provide expert repair and overhauling services for maritime equipment to ensure seamless vessel operations. Our offerings cover mechanical, electrical, and hydraulic systems, as well as safety equipment restoration. Our skilled technicians deliver reliable, efficient, and precise solutions to maximize performance and minimize downtime. We tailor our services to meet the specific needs of each vessel, ensuring safety and operational excellence at sea.

### UNDERWATER HULL CLEANING SERVICES

At Green Island Shipchandlers K Ltd, we provide professional underwater hull cleaning and propeller polishing to remove marine growth and enhance vessel performance. Our customized services improve maneuverability, fuel efficiency, and extend the life of protective coatings.

### FUMIGATION & CLEANING SERVICES

At Green Island Shipchandlers K Ltd, we provide fumigation and professional cleaning services to protect crew, cargo, and vessel integrity. Our solutions cover cargo and vessel fumigation, termite control, and galley and interior cleaning for a safe, hygienic, and pest-free environment.

# QUALITY ASSURANCE

**GREEN ISLAND SHIPCHANDLERS K LIMITED EXPECTS PREVENTION RATHER THAN CORRECTION AND OUR POLICY IS “DO IT RIGHT THE FIRST TIME”**

It is the policy of Green Island Shipchandlers K Limited to provide the highest practical standards of health and safety at all times. We therefore ensure that safe and healthy working conditions are provided for all employees and to ensure that work performed by the company has no adverse affect to the health and safety of third parties. In implementing this policy, we recognize the following:

We establish clear lines of authority, responsibility, and communication at all levels of the company, keeping employees, clients, and relevant authorities informed of potential environmental hazards. We comply with current legislation and provide guidance to support improvements in future environmental regulations, while actively collaborating with industry and professional organizations to enhance codes of practice, procedures, and standards for environmental protection.
